Explanation of the Articles in the Calendar.

These pages are calculated for Toronto, Quebec, Fredericton and Halifax, and for ordinary purposes will serve with sufficient accuracy for every city in the Dominion of Canada.

The times of the SUN'S RISING AND SETTING are given for the upper limb, and are corrected for refraction for Toronto, Quebec, Fredericton, Halifax and Fort Garry.

The civil times both for the rising and setting of the Moon's centre are given for every day for Toronto, Quebec, Fredericton, Halifax and Fort Garry.

The column, SUN ON MERIDIAN, gives the time that a watch should show when the shadow of a sun dial is on the noon mark.

MOON'S AGE.—This column shows to the nearest tenth of a day the Moon's age at Toronto noon.

The column, MOON ON THE MERIDIAN, gives the mean time at which the Moon's centre passes the meridian of longitude 4h. 46m. W. When in the column headed Moon's rising or setting, or Moon on meridian, the letters A. M. occur, unaccompanied by any number, they denote that the numbers given for the succeeding days relate to the morning, and those for the preceding days to the afternoon, and that the Moon does not rise or set or cross the meridian (as the case may be) on that day.

The MOON'S MERIDIAN ZENITH DISTANCES are given to the nearest tenth of a degree for a point in latitude 45° and longitude 4h. 46m. W. They are not corrected for parallax or refraction.

The column, UPPER TRANSIT OF POLE STAR, shows for every day the mean time at which the Pole Star makes its upper transit across the meridian of longitude 4h. 46m. W. It passes the meridian in the morning from April 9 to October 8. It passes the meridian twice on October 9; and in the afternoon during the rest of the year.

The time at which the lower transit of the Pole Star occurs may be found by adding 11h. 58m. 2s. to the time of its preceding upper transit.

The six last columns will serve with sufficient accuracy for the whole of Canada.

From the time of the upper transit of the Pole Star may be found the time of its greatest western or eastern elongation, by adding or subtracting the constants given in the annexed Table.

MOON'S PHASES.—This Table gives the times for the four meridians when the Moon passes the geocentric longitudes of 0°, 90°, 180°, and 270° east of the sun. It gives also the times of her greatest and least distance from the earth.

TWILIGHT.—In this Table are given the times at which twilight begins in the morning and ends in the evening, i.e., the times when the Sun's centre is 18° below the horizon.

GREATEST ELONGATION OF THE POLE STAR.—This column gives the greatest azimuth of the Pole Star east or west from the meridian as observed at a place in latitude 45°. When the greatest elongation corresponding to any other latitude is required, the number given in the column should be corrected by means of the following Table.

Latitude	42°	43°	44°	45°	46°	47°	48°	49°	50°
1st Correction for Degrees.....	-5'38"	-3'51"	-1'59"	0'00"	+2'4"	+4'16"	+6'35"	+9'2"	+11'37"
2nd Correction for each minute of latitude	+1".8	+1".9	+2".0	+2".1	+2".2	+2".3	+2".4	+2".6	+2".7

The 1st correction for the degrees of latitude is to be subtracted from the greatest elongation given in the calendar or added to it, according as the degrees of latitude are less or greater than 45°.

The 2nd correction, which is always additive, is found by multiplying the number given in the third line of the Table by the number of minutes in the latitude.

Thus for latitude 43° 20' ... 1st correction = -3' 51"	2nd correction = $1.9 \times 20 = +0' 38"$
" " 47° 40' ... " = +4' 16"	" " $2.3 \times 40 = +1' 32"$
" " 45° 10' ... " = -0' 0"	" " $2.1 \times 10 = +0' 21"$

THE PLANETS.—The times of rising and setting of the five chief planets are calculated for Toronto, and are corrected for refraction. The times of culmination, although computed for the meridian of Toronto, will serve approximately for the whole of Canada. The meridian zenith distances, being designed merely to aid in finding the planets, have been given only to the nearest tenth of a degree, as seen from the latitude of 45°.

Star Table.

From the times of the upper transit of the Pole Star may be derived, with the aid of the following Table, the times of culmination, and of the rising and setting of the principal fixed stars, as seen from the parallel of 45° north latitude.

To ascertain when any star found in the following Table will be on the meridian, *add* the number in the left-hand column of figures to the preceding meridian transit of the pole star given in the calendar. To find the time of rising of a star, *subtract* the number opposite to it in the right-hand column of figures from the time of its meridian passage. For the *setting* of a star, *add* the same number to the time of its meridian passage. Those stars marked (....) revolve in a circle of perpetual apparition, and do not rise or set at places in and to the north of latitude 45°.

Eclipses.

In the year 1877 there will be three eclipses of the Sun and two of the Moon.

I.—A total eclipse of the Moon, February 27, 1877, invisible in Canada, except in the extreme eastern portions of Nova Scotia, where the last contact with the penumbra occurs within a few minutes after the Moon rises.

Last contact with the penumbra, February 27, 9h. 56.7m.—G. M. T.

II.—A partial eclipse of the Sun, March 14, 1877, invisible in Canada.

III.—A partial eclipse of the Sun, August 8, 1877, invisible in the Dominion of Canada, except in the north and north-west.

IV.—A total eclipse of the Moon, August 23, 1877, partially visible in Canada. The local times of the different phases are as follows:

In ponderous boots, beside his reeking team.
The wain goes heavily, impeded sore
By congregated loads adhering close
To the clogged wheels; and in its sluggish pace,
Noiseless, appears a moving hill of snow.—COWPER.

NOVEMBER.

The melancholy days are come, the saddest in the year,
Of wailing winds and naked woods, and meadows
brown and sear; [the dead,
Heaped in the hollows of the grove, the autumn leaves
They rustle to the eddying gust and to the rabbit's tread.
—WILLIAM CULLEN BRYANT.

DECEMBER.

December, fat and rosy, strides,—
His old heart warm, well clothed his sides:
With kindly word for young and old,
The cheerier for the bracing cold;
Laughing a welcome, open flings
His doors, and as he does, it sings. —ANONYMOUS.

FISHERIES OF THE DOMINION.

The total value of fish products in 1875 was \$10,347,886, exclusive of the fisheries of British Columbia, Yukon, and the North-West Territories. The exports of fish and oils from these countries between 30th June, 1874, and 30th June, 1875, are given in the Trade Returns as amounting in value to \$134,723. It may be estimated that the value of fish entering into domestic use in these two Provinces is more than double the amount.

POST OFFICE SAVINGS BANK, CANADA.

Post Office Savings Banks at the principal Cities and Towns in Ontario and Quebec are open daily for the receipt and payment of deposits, during the ordinary hours of Post Office business.

The direct security of the Dominion is given by the Statute for all deposits made.

Any person may have a deposit account, and may deposit yearly any number of dollars, from \$1 up to \$200, or more, with the permission of the Postmaster-General.

Deposits may be made by married women, and deposits so made, or made by women who shall afterwards marry, will be repaid to any such woman.

As respects children under ten years of age, money may be deposited—

Firstly—By a parent or friend as trustee for the child, in which case the deposits can be withdrawn by the trustee until the child shall attain the age of ten years, after which time repayment will be made only on the joint receipts of both trustee and child.

Secondly—In the child's own name; and, if so deposited, repayment will not be made until the child shall attain the age of ten years.

A depositor in any of the Savings Bank Post Offices may continue his deposits at any other of such offices, without notice or change of Pass Book, and can withdraw money at that Savings Bank Office which is most convenient to him. For instance, if he makes his first deposit at the Savings Bank of Cobourg, he may make further deposits at, or withdraw his money through, the Post Office Bank at Collingwood or Quebec, Sarnia, Brockville, or any place which may be convenient to him, whether he continue to reside at Cobourg or remove to some other place.

Each depositor is supplied with a Pass Book, which is to be produced to the Postmaster every time the

depositor pays in or withdraws money, and the sums paid in or withdrawn are entered therein by the Postmaster receiving or paying the same.

Each depositor's account is kept in the Postmaster-General's Office, in Ottawa; and in addition to the Postmaster's receipt in the Pass Book, a direct acknowledgment from the Postmaster-General for each sum paid in is sent to the depositor. If this acknowledgment does not reach the depositor within ten days from the date of his deposit, he should apply immediately to the Postmaster-General, by letter, being careful to give his address, and, if necessary, renew his application until he receives a satisfactory reply.

When a depositor wishes to withdraw money, he can do so by applying to the Postmaster-General, who will send him by return mail a cheque for the amount, payable at whatever Savings Bank Post Office the depositor may have named in his application.

Interest at the rate of 4 per cent. per annum is allowed on deposits, and the interest is added to the principal on the 30th of June in each year.

Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

No charge is made to depositors on paying in or drawing out money, nor for Pass Books, nor for postage or communications with the Postmaster-General in relation to their deposits.

The Postmaster-General is always ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank business.

A full statement of the Regulations of the Post Office Savings Bank may be seen at any of the Post Offices appointed for that purpose.

LEGAL AND JUDICIARY.

SUPREME COURT OF THE DOMINION AND COURT OF EXCHEQUER.

The Supreme Court, as a high Court of Appeal, constituted by Dominion Statute, 38 Vic. cap. 2, assented to 8th April, 1875, is composed of a Chief Justice and five Puisne Judges, and has appellate civil and criminal jurisdiction within and throughout the Dominion of Canada. The Judges reside at Ottawa, where the Supreme Court holds annually two Sessions, beginning respectively on the third Monday in January and June. The Exchequer Court, presided over by the same Judges, possesses concurrent original jurisdiction in the Dominion in all cases in which it is sought to enforce any law relating to the revenue, and exclusive original jurisdiction in all cases in which demand is made or relief sought in respect of any matter which might in England be the subject of a suit or action in the Court of Exchequer on its revenue side against the Crown, or any officer of the Crown.

Hon. William Buell Richards, Chief Justice.
Hon. William Johnston Ritchie, Puisne Judge.
Hon. Samuel Henry Strong, Puisne Judge.
Hon. Jean Thomas Taschereau, Puisne Judge.
Hon. Telesphore Fournier, Puisne Judge.
Hon. William Alexander Henry, Puisne Judge.
R. Cassels, jun., Registrar.

THE LAW SOCIETY OF ONTARIO.

The Law Society was first established in 1797, by the act 37 Geo. III. c. 13, which enabled the then practitioners of the law to form themselves into a society and make rules for its government. By the act of 1822, 2 Geo. IV. c. 6, "the Treasurer and Benchers of the Law Society" were formally incorporated; and under these and other statutes the Society has continued to be governed by a Board of Benchers, in the same manner as the various Law Societies of England. By the act 34 Vic. c. 15, the Benchers theretofore appointed from time to time by their own body, are made, exclusive of *ex officio* members, elective by the Bar, the *ex officio* consisting of the Attorney-General for the time being, and all members of the Bar of Ontario who have at any time held the office of Attorney or Solicitor General of the former province of Upper Canada, and any retired Judge of the Superior Courts of Law or Equity of Ontario; the *elective*,

thirty in number, being chosen by ballot, for a term of five years, by the members of the Bar. In manner prescribed by the Act. Vacancies during the term are filled by the remaining Benchers. The Judges of the Superior Courts are Visitors of the Society, and, on the first day of Easter Term, annually, the Benchers appoint one of their body to be Treasurer, who is also President of the Society. The Benchers sit in convocation every term for the call of Barristers, the admission of Attorneys and Solicitors to practise, and of Students to enter the Society, the fees paid by whom form the revenue of the Society. Osgoode Hall, appropriately named after the first Chief Justice, is the Ontario "Inn of Court," or head quarters of the Society, in which is provided accommodation for the Courts of Equity, and for the sittings in term of the Superior Courts; with a valuable and extensive library.

Chambers are held each day in Common Law and Chancery by one of the judges of the said courts, and under recent statutes by the clerk of the Crown and Pleas in common law, and by the referees in chambers in chancery, for such business relating to suits therein as may be transacted by a single Judge out of court. *Clerk, Common Law Chambers*—W. Sittings at Toronto, first Monday in January and July in each year. *Clerk of Commissioners*, W. B. Heward.

COURTS FOR THE TRIAL OF CONTROVERTED ELECTIONS.—The nature of these Courts is sufficiently indicated in their title. The Judges of the Court of Appeal and of the Superior Courts of Law and Equity meet annually in Michaelmas Term, and severally select, by a majority of votes, a Judge of their respective Courts to be placed on the rota for the trial of election petitions. In the case of death or illness of a Judge so chosen, the Court of which he is a member meet and elect another Judge. At trials referring to the Dominion in Parliament, two Judges preside, and appeals lie to the Supreme Court at Ottawa. At those relating to the Legislature of Ontario, a single Judge presides, and the appeal is to the Court of Appeal of that Province.

COUNTY COURTS.—Presided over by a resident Judge in each county, assisted in some counties by a Deputy or Junior Judge. Their jurisdiction extends to all personal actions where the debt or damages claimed do not exceed \$200; and to all suits relating to debt, covenant or contract, where the amount is ascertained by the acts of the parties or signature of the defendant, to \$400; and to all bail bonds and recognizances of bail given in the County Court, to any amount; but not to cases involving the title to lands, validity of wills, or actions for libel, slander, criminal, or seduction. An appeal lies to the Court of Appeal of Ontario.

COUNTY COURT SITTINGS AND COURTS OF GENERAL SESSIONS.—The County Judge in each county holds a sitting of his Court and a Court of General Sessions in his county

semi-annually on the second Tuesday in June and December, except in the county of York, in which county said court is held four times, commencing on the second Tuesday in March, May, September and December, the latter Courts for the trial of cases of felony and misdemeanor, but treason and capital felonies are exempted from their jurisdiction. The Judge may also, in his discretion, hold additional sittings at such times as may be deemed expedient to expedite business, but only for the trial of issues of fact without a jury.

COUNTY JUDGES' CRIMINAL COURT.—Persons committed to jail for trial, on charge of being guilty of any offence for which they may be tried at a Court of General Sessions, may, with their own consent, and subject to the provisions of the Act in that behalf, be forthwith tried by the Judge of the County Court and General Sessions without a jury, and if convicted, be sentenced by the said Judge; and the Judge sitting on any such trial for all the purposes thereof, is constituted a Court of Record, and the record in any such case shall be filed among the records of the Court of General Sessions last mentioned.

COURTS OF REVISION.—The County Judges hold annually Courts of final revision of the Assessment Rolls of each Municipality, being in the light of Courts of Appeal from the first Court of Revision held by the Municipality; and also Courts for the Revision of the Voters' Lists, being equivalent to the Courts held by Revising Barristers in England.

INSOLVENT DEBTORS' COURTS.—These courts, which have reference to traders only, are regulated by the Act known as "the Insolvent Act of 1875," which consolidated and assimilated the practice in Bankruptcy and Insolvency in the several Provinces of the Dominion. The County Judges in the several counties preside, and official assignees are nominated by the Governor in Council, and are officers of the Court having jurisdiction in the County or District for which they are appointed. An appeal lies to the Court of Appeal of Ontario.

SUBROGATE COURTS.—The jurisdiction of these Courts relates to all testamentary matters and causes, and to the granting or revoking of probate of wills, and letters of administration of the effects of deceased persons having estate or effects in Upper Canada, and all matters arising out of or connected with the grant or revocation of probate or administration, subject to an appeal to the Court of Chancery. The County Judges are also Judges of the Surrogate Courts. *Chief Surrogate Clerk at Toronto*—Sir J. L. Robinson, Bart.

DIVISION COURTS, for the summary disposal of cases by the presiding Judge, being the County Judge or his Deputy, or any Barrister appointed to hold the same; but a jury of five persons may be demanded in certain cases. Their jurisdiction extends to actions of debt or contract amounting to \$100; injuries or torts to personal chattels amounting to \$40; and personal actions to that amount, if not excepted from their jurisdiction; but not to actions for gambling debts, liquors drunk in a tavern, or notes of hand given therefor, ejectment, title to land, &c., or any toll, custom or franchise, will or settlement, malicious prosecution, libel, slander, crim. con., seduction or breach of promise, or actions against a J. P. for anything done by him in the execution of his office, if he objects to it. Each judicial district is divided into court divisions, and courts are held once in two months in each division, or oftener, at the discretion of the Judge. The Divisions are established by the Courts of General Sessions, and in certain cases by the Judges.

BOARD OF COUNTY JUDGES.—*Chairman*—J. R. Gowan, County Simcoe. *Members*—S. J. Jones, County Brant; D. J. Hughes, County Elgin; Jas. Daniell, Counties Prescott & Russell; and Jas. Smith, County Victoria.

THE AMERICAN CENTENNIAL, 1876.

WHEELER & WILSON VICTORIOUS !

Again the WHEELER & WILSON SEWING MACHINES triumph over the world. The Centennial Commission have officially announced the awards, and decreed for the New Wheeler & Wilson Machine *two Diplomas of Honour and two Medals of Merit*. This is a double victory, and the highest award which it was in the power of the Centennial authorities to bestow. NO OTHER COMPANY RECEIVED SUCH A RECOGNITION IN THIS DEPARTMENT. More than thirty of the best producers of machines in this and other countries entered for competition, and at Philadelphia in 1876, as at Vienna in 1873 and at Paris in 1867, Wheeler & Wilson head the list. After a careful, rigorous and exhaustive examination, the judges unanimously decided that the superior excellence of these machines deserved more than one medal and diploma, and, consequently, they recommended *two of each*. The Centennial Commission unanimously ratified the action of the judges, and the public will doubtless endorse the decision of the ablest of mechanical experts. A CLAIM FOR EQUALLY DISTINGUISHED HONOUR BY ANY OTHER SEWING MACHINE COMPANY IS ONLY AN ATTEMPT TO HOODWINK THE PEOPLE. Read the following, which stamps the "New Wheeler & Wilson" as the *Standard Sewing Machine of the World*.

[From the Official Report.]

AWARDS TO WHEELER & WILSON.

1. A Medal and Diploma for "The New Wheeler & Wilson Sewing Machine" for the following reasons:—
"A Lock-stitch Sewing Machine unsurpassed in the fine workmanship of its parts, great originality, great adaptability to different kinds of work both in cloth and leather, beauty of stitch, ease and rapidity of motion, and completeness of display."
2. A Medal and Diploma for "The New Wheeler & Wilson Sewing Machine" for leather for the following reason:—

"Superior quality of work in leather stitching."—A. T. GOSHORN, *Director-General*.
J. R. HAWLEY, *President*.

SINGER SEWING MACHINES AGAIN TRIUMPHANT!

HAVING RECEIVED THE

SPECIAL COMMENDATION OF THE JUDGES,

THE PEOPLE'S VERDICT OF 1875,
WHEN WE SOLD
ONE HUNDRED & FORTY-SIX THOUSAND ONE HUNDRED & TWELVE
More machines than any other Company in the world.

TORONTO OFFICE, - - - 22 TORONTO STREET.
R. C. HICKOK, Manager.

The Singer Manufacturing Company invites a critical comparison by all persons specially interested in Sewing Machines between the Singer Machines and other Sewing Machines noticed by the Centennial Judges. The Singer Manufacturing Company believes and insists that it has a right to claim as its own the best Family Machine and the best Button-Hole Machine. Whatever may be thought of the opinions of these Judges about Sewing Machines, there can be no doubt at all of the award of that vast public which uses such machines. During the year 1875, the Singer Manufacturing Company sold **249,852** machines, upwards of **140,000** in excess of the sales of any other manufacturer in the world. Wherefore, the Singer Machines are victorious.

EDWARDS'
DECORATIVE
ART SHOW ROOMS
WALL PAPER & STATIONERY
WAREHOUSE,
136 YONGE STREET, TORONTO.

I respectfully call the attention of my customers, and all who require A SUPERIOR CLASS OF WALL DECORATION, to the INCREASED FACILITIES I have for promptly supplying the demands of a RAPIDLY GROWING ARTISTIC TASTE. I have just constructed THE MOST COMPLETE SERIES OF DECORATIVE SCREENS IN THE DOMINION, and am placing on them treatments entirely new and specially adapted to the interior ornamentation of RESIDENCES, PUBLIC BUILDINGS, ASSEMBLY AND CONCERT ROOMS, SOCIETY HALLS, BANKS, OFFICES, &c. &c. The great Competition carried on of late years between leading manufacturers, to produce styles of excellence heretofore unapplied to these purposes, and the keener competition for trade during the commercial dullness prevailing on both continents, has resulted in bringing finer effects than heretofore within the reach of every householder in Canada. Personally, I am giving special attention to the cultivation of a better general taste in this department, and have pleasure in referring to and showing a very numerous list of new methods of treatment I have recently used in Toronto and its vicinity. I am prepared to wait on Customers at their Residences, or where the work is to be executed, give Designs to Scale, and Estimates of Price in any class of Decoration desired to be applied.

To G. B. STOCK.

In answer to your request as to our opinion of your oil as compared with others, we have to say that we have decided to use no other so long as we can get yours; and this was brought about by the fact that other dealers came round and said that they could give us oil as good as yours for much less money, so we took samples from each. The following is the result of FOUR TESTS OF EACH SAMPLE, in one of Foster's Patent Oil Cups on our Engine. Cup No. 12 once filled run with sample No. 1, at 25c. per gall., 2 days; sample No. 2, at 45c. per gall., 3 days; sample No. 3, at 55c. per gall., 6 1/2 days; Stock's EXTRA OIL, at 60c. PER GALL., OUT OF BARREL THAT WE WERE USING, 12 DAYS. The above samples were from the leading oil dealers of Canada.

Respectfully yours,

WM. H. ESSERY,

Engineer for Messrs. Withrow & Hullock.

HOUSEHOLD MEDICINES

PANCREATIC EMULSION AND PANCREATINE,

Prepared under the Direction of the Physicians who introduced them as Remedies.

For Consumption, Indigestion and Wasting Diseases,

Loss of the power of Digestion and Assimilation, they are the most potent Remedial Agents.

Where Cod-Liver Oil fails the Pancreatic Preparations are the only remedies which can supply its place, and give the power of digesting the Oil.

IMPORTANT CAUTION—Their efficacy depends upon their purity and strength. SAVORY & MOORE caution the public against inferior preparations.

ETHERODINE

is a CLEAR BRIGHT FLUID, pleasant taste, readily miscible with water or any suitable menstruum. The properties of ETHERODINE are identical with those of CHLORODYNE, but the former is an elegant and more convenient preparation.

THE KHEESAH,

FRICTION GLOVES and BELT,

For promoting healthy action on the Skin.

ERASMUS WILSON, Esq., in his well-known work states—

"This Friction Glove certainly offers advantages superior to any other kind of rubber for the skin in existence. The Glove was introduced into England by Sir RANALD MARTIN, K.C.B., (Physician to the Council of India.) It is an admirable contrivance for promoting the health of the body.

JEREMIE'S SEDATIVE and ANTISPASMODIC

The Celebrated Indian Remedy for Cholera, Diarrhoea, Dysentery, Spasms, &c.

Allays pain and produces sleep without causing the excitement and disturbance which follow the use of opiates.

From CIVIL SURGEON WYNNE, Patna.—"In no case of Cholera have I met with a failure of recovery."

From W. B. JOHNSON, Opium Department, Patna.—certify that Jeremie's Sedative has been tried in several desperate cases of Cholera with wonderful effect."

From Sir CHARLES L'OEUVRE, Bart., Opium Agent, Behar—"It was repeatedly administered to me by Dr. King, and always completely soothed the pain. It has indeed saved life more than once."

PHOSPHORISED COD-LIVER OIL,

Also Cod-Liver Oil combined with Iron, with Quinine and Iron, Chlorate of Quinine, etc.

As originally prepared by SAVORY AND MOORE.

BEST PALATABLE COD-LIVER OIL,

Without taste or smell. In Bulk, or in Pint and Half-Pint Capsuled Bottles.

BEST FOOD FOR INFANTS.

"THE YOUNG PRINCE THRIVES UPON IT AS A YOUNG PRINCE SHOULD."—DR. RICHARDSON.

"IT RESEMBLES MOTHER'S MILK AS CLOSELY AS POSSIBLE AND IS THE BEST KIND OF LIEBIG'S FOOD."—DR. BARKER, on Right Food for Infants.

now ready in small tubes, separately, or in cases containing half a dozen tubes: Apomorphia, Atropia Sulph., Strychnia, Ergotina, Morphia, &c.

Patented for Europe, the United States, and the Colonies.

DATURA TATULA. For Asthma and Bronchitis

"I have suffered from attacks of sub-acute Bronchitis, attended with painfully suffocative sensations towards bedtime, which have been immediately relieved by smoking Cigars made from the Datura Tatula, by SAVORY & MOORE. Equally beneficial results I have known in other cases. This species of Datura appears to supply every want. SAVORY & MOORE prepare the plant for smoking in the ordinary way, and in some respects it is to be preferred. I consider it a remedy of great power and usefulness."—Dr. W. G. Barker, M.B., Senior Medical Officer of the Worthington Infirmary.

Prepared as Cigars, Cigarettes, and for use in a pipe, and as Pastilles for Inhalation.

CONFEDERATION
LIFE ASSOCIATION.

HEAD OFFICE: TEMPLE CHAMBERS, TORONTO.

PRESIDENT: HON. W. P. HOWLAND, C.B.

VICE-PRESIDENTS: HON. WM. MCMASTER, WM. ELLIOT, Esq.

The Quinquennial Division of Profits takes place at the close of 1876, so that persons insuring now will rank for a full year's profits at the end of the year.

The CONFEDERATION, besides being a Home Company, offers the following advantages:

- 1st. The Life rates, with profits, at all the average ages, are lower than those charged by other Companies.
- 2nd. 99 per cent. of the profits are distributed to holders of Participating Policies.
- 3rd. Surrender values are given either in cash or paid up insurance after two annual premiums have been made.
- 4th. It is the only Company which offers the Canadian public the high security of the Institute of Actuaries Mortality and $4\frac{1}{2}$ per cent interest, with Annual valuations. Policy holders cannot value this too highly.
- 5th. The Special Term Rates meet the necessity of the "hard times." They afford a fixed amount of insurance at less than two-thirds the usual All Life rates, and provide for changing to the Ordinary Life or Endowment within 5 years, without further medical examination.

SPECIAL TERM RATES PER \$1,000.
